The First Walking Shoe for Baby or the Largest Shoe Made for a Miss

Can be found in the Juvenile Shoe Section, on the Fourth Floor. This is a separate and distinct department for Children's Shoes.

We have the largest stock of Children's Shoes in our history—larger by hundreds of pairs, and as fine as can be found. Every pair purchased months ago. This early purchasing brings prices notable for their moderation.

Careful fitting—children's feet require especially careful fitting; shoes must be exactly right or they are harmful. We have experienced fitters—and they are experienced in fitting children's shoes.

Growing Girls' Shoes, Sizes 2 1/2 to 7

In these shoes we have introduced the graceful lines of the women's shoes, but with curves a little less accentuated, thus changing gradually from the model that is essentially children's to the strictly woman's shoe.

Model illustrated, shown in four leathers; sizes 2 1/2 to 7; AA to C widths. Narrow toe, straight tip, military heels and welt soles.

Patent Leather, black kid top, \$9.00 pair.

Infants' First Walking Shoes Sizes 2 1/2 to 6

In these sizes there is need for more careful sizing and workmanship probably than in any other. The change from soft soles to stiff-soles must be made with care. These shoes are especially made for that purpose.

FIND COUNT'S TREASURE BURIED DEEP IN CELLAR

BUDAPEST, Nov. 28.—One hundred million crowns, contained in twenty-one cases buried in the cellar of Count Michael Karoly's palace have been discovered and confiscated by the Hungarian police.

The treasure consisted of stocks, bonds, and silver and gold, representing the former premier's total fortune. Searches by the communists when they were in power failed to reveal the treasure, although the palace was ransacked several times.

"Pape's Diapepsin" instantly Ends Indigestion, Sourness, Stomach Acidity

Are lumps of undigested food causing you pain? Is your stomach acid, gassy, sour, or have you flatulence, heartburn? Then take Pape's Diapepsin.

Just as soon as you eat a tablet or two of Pape's Diapepsin all the distress caused by acidity ends. These pleasant harmless tablets of Pape's Diapepsin never fail to make sick, upset stomachs feel fine at once, and they cost very little at drug stores.

BANISH CATARRH

Breathe Hyomei for Two Minutes and Relieve Stuffed Up Head

If you want to get relief from catarrh, cold or from an irritating cough in the shortest time breathe Hyomei.

It should clean out your head and open up your nose in two minutes and allow you to breathe freely.

Hyomei often ends a cold in one day, and brings quick relief from stuffed, hard crusts in the nose, hawking, spitting and catarrhal mucus.

Hyomei is made chiefly from a soothing, healing antiseptic oil, that comes from the eucalyptus forests of inland Australia where Catarrh, Asthma, Bronchitis, Tonsillitis, Influenza, Pneumonia and Consumption were never known to exist.

Hyomei is pleasant and easy to breathe. Just pour a few drops into the hard rubber inhaler, use as directed and relief is almost certain.

A complete Hyomei outfit, including inhaler and one bottle of Hyomei costs but little at People's Drug Stores and druggists everywhere. If you already own an inhaler you can get an extra bottle of Hyomei at druggists.

MI-ONA Ends indigestion

It relieves stomach misery, sour stomach, belching and all stomach distress or money back. Large box of tablets 60 cents. Druggists in all towns.

DISTRICT MAN HURT IN ACCIDENT ON BROADWAY

Robert E. Walsh Hurt When "One-Eyed Scotty," Chauffeur, Meets Death.

NEW YORK, Nov. 28.—In the heart of the theatrical district, when the sidewalks of Broadway were crowded with the holiday crowd early last night, a taxicab ran wild, dashed upon the sidewalk and plunged through the large plate glass window on Broadway. The chauffeur was killed and two passing pedestrians injured.

One man was hurled through the window and landed ten feet inside the store. A score of persons narrowly missed being hit and injured, as the crowd fled in every direction.

The very first dose opens your clogged-up nostrils and the air passages of your head; stops nose running; relieves the headache, dizziness, feverishness, sneezing, soreness, stiffness. "Pape's Cold Compound" is the quickest, surest, best known and costs only a few cents at drug stores. It acts without assistance. Tastes nice. Contains no quinine. Insist on Pape's.

TRINITY TO GIVE KIDDIES THANKSGIVING DINNER

A Thanksgiving dinner will be given to children of the Episcopal Home by the workers of Trinity Community Center, at the community house, Third and C streets northwest, tonight.

H. M. Gaylord, deputy internal revenue commissioner, Mrs. Robert Reese and fifty young women from the Government departments gave a dinner to the soldiers of St. Elizabeth's Hospital yesterday.

City workers also visited the Public Health Hospital and the almshouse yesterday, where they distributed fruits and candies among the patients.

PLEADS FOR NEAR EAST.

The condition of the people in the near East is of such a character as to need immediate attention, states a letter from Cardinal Gibbons to the clergy and heads of Washington Catholic institutions.

Approaching winter has made prevailing conditions desperate, and the supplies now on hand will be exhausted long before Christmas. An inspiration meeting, to which representatives of all creeds and heads of every educational institution in Washington are invited, will be held on December 2, in Memorial Continental Hall.

SYNDICALISTS REORGANIZE.

BARCELONA, Spain, Nov. 28.—The Syndicalists have decided to dissolve their general committee and appoint committees to deal with the affairs of each profession or calling. They also have refused to accept as a basis for an accord between workmen and employers the suggestion made by the government.

PORTRAITS NO GOOD, SAYS MRS. CALHOUN

Society Leader Also Declares She Never Ordered Paintings By Artist Who Sues.

Mrs. Daisy O'D. Breau Calhoun, formerly Mrs. Barker Krumpholtz, of 1519 New Hampshire avenue, through her attorney, Frank J. Hogan, denies having ordered portraits from Adolfo Muller-Ury, who has filed suit in the District Supreme Court against her for \$6,000. The artist claims this sum as due to him for portraits which he painted of Mrs. Calhoun and her daughter, Miss Marguerite Calhoun Simonds.

The suit has become the topic of considerable gossip in Washington because of the social prominence of the persons involved. Muller-Ury claims to be an artist of international note, having had such distinguished persons as Pope Pius, President and Mrs. Wilson, the late President McKinley and others to sit for him. Miss Simonds is the only Washington girl upon whom the Prince of Wales called during his recent visit here. She is a distant relative of English nobility.

Mrs. Calhoun declares that about four years ago at White Sulphur Springs, W. Va., Muller-Ury, at his own solicitation, asked her to sit for a portrait. She alleges she was not to pay him for his work unless it was satisfactory.

"The portrait of Mrs. Calhoun and that of her daughter were unsatisfactory," said Mr. Hogan today, speaking for Mrs. Calhoun. "They were returned to the plaintiff as such more than three years ago. They might have been excellent portraits of some one, but you couldn't recognize Mrs. Calhoun and her daughter in them. Mrs. Calhoun denies any liability."
